SUMMARY

PRODUCTION

10 years of ability & experience in all aspects of video production: TV/Web Commercial, Company Branding, Documentary, Product, Explainer Videos, Interview, Live Event, How-to, Backstage, 2D Motion Graphics , Video Editing.

TRAINING COURSE / WORKSHOP

I prepared a training set for the Adobe Premiere Pro program, which consists of 125 lessons and 10 hours in total on the Udemy platform. The training set reached 2000 students and still continues to reach. I have organized many video editing training workshops for institutions and brands such as Yıldız Technical University, Istanbul Technical University, Anadolu University, and Kolektif Academy. I still continue to develop the training set and organize workshops.

DIGITAL MARKETING

I have been interested in digital marketing all my life. This interest turned into a professional level and enabled me to specialize in subjects such as Strategy Development, Content Creation, Social Media Management, Digital Advertising, and Reports. Specializing in these subjects enabled me to work more target-oriented in my production works.

EDUCATION

WORK EXPERIENCE

Director / Videographer

Think Online / Ankara / 2018 - Still

I set up many studios. I shot and edited a 150-episode TV program for the Disney Channel Television Channel. I shot and edited TV commercials for brands such as GP, Hot Wheels, and L.O.L. I shot events for many companies, especially Disney Studio Turkey. For Disney Studio Turkey, I worked on localizing the pack shots of the movie trailers of companies such as Marvel, Pixar, Disney and integrating subtitles.

WORK EXPERIENCE

Freelance Director / Videographer

C-Zone (Own Company) / Ankara / 2018 - Still

I have provided services such as shooting, editing, animation, and digital marketing to many brands. At the same time, I created many YouTube channels with original content concepts that I wrote. In recent years, I continue to provide professional service to brands with my own design and content team agency. I shot and edited many publicity and promotional films.

Instructor

Udemy, Kolektif Academy etc. / Ankara / 2020 - Still

I have organized many video editing (Adobe Premiere Pro) training workshops. I still continue to organize workshops.

Director / Videographer

Chess Creative / Ankara / 2015 - 2018

I shot and edited a total of 110 episodes of 9 different documentary projects with the title of Videographer and Director. The 7 documentaries I shot were broadcast on the national television channels TRT Haber and TRT Türk. I shot and edited 2 international documentaries called Our Coasts, which took 2 months to shoot and consisted entirely of aerial shots. Again, in the same agency, I shot and edited many publicity and promotional films.

Videographer

Toga Medya / Ankara / 2012 - 2013

I shot many promotional films and short videos with the title of Videographer.

Intern

TRT Radio / Ankara / 2012 (1 month)

I shot many promotional films and short videos with the title of Videographer.
